# 1. Governance and Administration

## 1.1. League Governance Model

## 1.2. General Responsibilities

Water Polo Canada's flagship properties are the National Championship League spanning 8 categories: 14U; 16U; 19U; MLWP (senior) both male and female. Water Polo Canada is responsible for the leadership, management and organization of all games and events regarding the National Championship League. For this reason, each game will be assigned a delegate to represent the interests of Water Polo Canada. All delegates should wear the National Championship League golf shirts provided in addition to pants (no jeans please). Casual business attire is requested for all delegates during the opening ceremony and awards ceremony.

The main role of the delegate is to ensure the event takes place in a fair manner and that the participants abide by the League Handbook. As a delegate you are in complete control of the game and responsible to manage the game on behalf of Water Polo Canada. In the event there is a technical error that arises throughout the game please intervene to ensure that the mistake is corrected and that there will not be any protests thereafter. A technical error arises when a mistake is made at the minor of officials bench (i.e. does not restart the shot clock, does not wave the penalty flag, etc.). As a delegate, you may also provide guidance and feedback to the referees if they are unsure of a rule interpretation. You should always have a copy of the National Championship League Handbook as well as the FINA Rule Book on your person, either in electronic format or hard copy.

## 1.3. Pre-Game Responsibilities

- Arrive at least twenty (20) minutes on deck prior to each game to conduct a pre-game environment scan to ensure the event venue meets the standards outlined in [Appendix A: Delegate Checklist](#):
  - Field of play setup has the appropriate lane markers, side markers, goals, length and width.
  - Timing equipment is synchronized and visible.
  - There is a visible exclusion board.
  - Non-water polo related equipment is cleared from the deck area around the playing field.
  - Minor officials table has a laptop for the scoresheet, all relevant timing equipment, backup timing equipment and table cloth covering the table.
  - Minor officials and other local volunteers are wearing the appropriate National Championship League t-shirt.
  - National Championship League banners are displayed on deck.
  - Balls provided by Water Polo Canada are being used and are of the right size and volume.
  - Team benches are setup on the appropriate side (opposite minor officials) and behind the goal line.

- Collect game rosters from each coach 20 minutes prior to the start of the game.
- Review the scoresheet confirming it conforms to the standards outlined in [Appendix B: Sample Pre-Game Scoresheet](#). Number of athletes on each bench should match the number of athletes on the scoresheet.
- Ensure referees are on deck at least 15 minutes prior to game time in their proper attire, which includes the National Championship League golf shirt, white pants, white belt, white shoes, whistle and cards.
- Ensure teams have appropriate warm-up and the game starts on time.
- Ensure teams start on the correct side of the field of play:
  - White team to the left of the minor officials' bench
  - Blue team to the right of the minor officials' bench
- If you are evaluating a referee:
  - Ensure referee has access to the evaluation criteria prior to the game. All referees should have received the criteria when they attended a training workshop.
  - Provide a pre-brief for the referee outlining the process you will be undertaking and what you are expecting of him/her.

#### 1.4. In-Game Responsibilities

- Supervise the minor officials' to ensure that there are no technical errors being made.
- Review the scoresheet after each quarter to ensure the minor officials' have captured the correct information, specifically goals and exclusions.
- In the event a game participant is ejected for misconduct, brutality or red, politely remind the referee that the participant in question must leave the playing area, which includes the deck.
- Athletes who have been ejected for earning 3 personal fouls should remain on the bench with their hat.
- Provide assistance to the referees, when requested, in the event there is a misunderstanding of a rule interpretation. Do not approach the referees, unless there is a potential technical error (i.e. not awarding a penalty shot after a brutality).
- Ensure a maximum of 3 staff are on each respective team bench at a given time and they are on the approved roster.

#### 1.5. Post-Game Responsibilities

- Have referees watch the handshake and sign the scoresheet.
- After referees have signed, review the scoresheet confirming it conforms to the standards outlined in [Appendix C: Sample Post-Game Scoresheet](#).
- Complete the [Appendix D: Incident Reporting Form](#) for any participant who was ejected from the game for misconduct, brutality or red card.

- Send a written report by email to the coach of a team in the event that supplementary discipline is necessary as per the standards outlined in [Judiciary](#) section of this guide. The League Coordinator and NTO Coordinator should be copied on all email correspondences.
- Send [Appendix A: Delegate Checklist](#) to the League Coordinator with additional feedback where required.
- Remind host to send the scoresheet to the League Coordinator.
- If you are evaluating a referee:
